The Legend of Dots Diner

**In 1996, the first Dots opened with a simple philosophy...
Big Portions, Big Taste, Big Value.**

I blended a love for old time diners with my memories of
the comfort foods my Grandma Dorothy used to cook.

I named the restaurant Dots Diner in her honor.

All our meals are individually cooked to order, made from
the freshest ingredients and served to you by the friendliest
staff in the South. Our homestyle food may awaken some
family memories of your own.

Come have a seat, kick back and stay awhile. Breakfast is
served all day, and we'll make sure we fill you up without
draining your wallet.

Grandma Dot is gone now, but eating until you're good
and full remains her legacy and ours. Cause it's just
like Grandma used to say,

"I'm not your Mama, but you're always at home at Dots".
